

SOPHIE'S WALKER 2013

The Lions Club of North Beach donated some funds to the Lions Children's Mobility Foundation. Along with other Clubs, this has enabled the Foundation to donate to 10 year old Sophie a Meywalker, specially designed for her. Funds were donated by several Lions Clubs. Representatives from the Children's Mobility Foundation and the Lions Clubs of Ballajura, Morley, Ellenbrook and North Beach visited her and her mother. The new walker will assist Sophie to become more independent. She had grown out of her previous walker three years ago.
