

Visitor from Lions Club of Scottburgh, South Africa - 2014

Our Club invited Therese Strachan from the Lions Club of Scottburgh in South Africa to speak to us about the activities of her Lions Club. Scottburgh is a family oriented and close knit Lions Club with 26 members. They provide equipment to their local rural hospital and at present are in the process of raising \$250,000 to replace broken equipment. Trauma bags are provided to assault victims. They support creches and old age homes. They provide materials and labour to an orphanage and also organise diabetic screening for local people. Their Peace Poster competition involves 9 local schools. In the photograph below, our President Christina Smelt is presenting Therese with our bannerette.
